

CUPE

MAY DAY!

Hey CUPE Members,

Are you ready to shake off the winter blues and welcome the vibrant spirit of spring!

May Day has arrived, and it's time to mark this special occasion with enthusiasm and energy.

But wait, what exactly is May Day, you ask? Well, it's more than just another day on the calendar—it's a celebration of workers' rights, solidarity, and the arrival of spring!

Dating back to the late 19th century, May Day has been a rallying cry for workers worldwide, a day when we come together to honour the contributions of labour movements, advocate for fair wages, and stand united in our pursuit of justice and equality.

Stay tuned for up coming events on our waging ahead campaign!

Solidarity my friends!
