LETTER OF UNDERSTANDING SHIFT DIFFERENTIAL

THE PARTIES AGREE:

Shift Differential & Base Remuneration

Shift Differential Administration – We are not proposing any change in the administration of shift differentials but will explain the process so that there is no confusion as to how it will continue to be administered.

Current administrative practices for shift differential (SD) is as follows:

1. Shifts Worked – SD is only paid for shifts actually worked.
2. Shifts Not Worked – SD is not paid for statutory holidays, vacation days, sick days, or any paid or unpaid leave days – only base pay is paid on these days and only if they are paid leaves as provided for under the Collective Agreement.
3. Shift Coverage – as is specified in the Collective Agreement, SD is only paid on shifts that commence on or after 3:00 pm.
4. Day Shifts - Evening Custodians are often required to work day-shifts during the year, for example during the Christmas break, February break, Easter break, during summer cleanup, on teacher professional development days and occasionally at the Employer's direction (e.g. to cover a day custodian's shift). Shift differential will not be paid during these shifts and Employees will not have the option to work the evening shift simply to retain the shift differential. This goes back to the basic point – "if you do not work an evening shift you do not receive the shift differential" and the "Employer has the right to direct its work forces".
5. Employer Request – Occasionally the Employer may request that an evening custodian come in early to help with something going on at the school. In these cases, if the request is approved by the Division's Custodial Supervisor, and if the majority of the shift is still after 3:00 pm, then the Employee will be paid the SD for the entire shift.
6. Employer Request - Notwithstanding the above, if an evening custodian is requested by the Employer to cover for an unscheduled absence during the day, the Employee will receive their regular shift differential. This Article does not apply to regular scheduled day shifts for evening staff such as during school breaks.
7. Vacation Pay – as a percent (%) is included on the Employee's pay cheque which the shift differential is paid. As such, vacation pay on SD is not banked nor included during the periods when vacations are actually taken. Only base pay is paid during vacation periods.
8. Receipt of SD – SD is paid in the month following the receipt of the time sheets. This is a timing matter – payroll is disbursed in a given month before the Employer receives the respective time sheets – accordingly, the shift differential is added to the subsequent months pay cheque.
9. Pension - Shift Differential is currently included (at the discretion of the Employer) to pensionable earnings for the purposes of LAPP.

Remaining on Site for entire shift – We agree that it has been a long-standing requirement that evening custodians must remain on school premises for their entire shift, including during their breaks (coffee-breaks and lunch). Nothing in the last collective agreement or to-date has changed that requirement.

LETTER OF UNDERSTANDING LATERAL MOVES

WHEREAS:

In respect to the Custodial group, the following Article currently exist in the Collective Agreement:

- 1) 10.04 Employees only serve one (1) probationary period.
- 2) 12.01(3)(a) Employees who are appointed or promoted shall be allowed three (3) months in which to prove themselves capable of filling the positions concerned. If such Employee does not qualify within such time, the trial period may be extended by an additional three (3) months by mutual agreement of the Employer and the Union.
- 3) 12.01(1)(d) When filling a vacant position, the Employer shall have the right to establish the necessary qualifications, skills, knowledge and ability for the position. Such factors must be included in the posting. If two or more Employees have equal qualifications, skills, knowledge and ability for the position, then seniority shall be the determining factor.
- 4) 12.01(4) The Employer shall have the right to transfer Employees as it deems fit for the efficient operation of the school system.

THE PARTIES AGREE:

Considerable time is spent posting and filling positions.

The Employer respects the need to not disrupt staff unnecessarily by transferring them under 12.01(4) for arbitrary or unethical reasons.

The needs of the Division are changing and the Employer desires to introduce a model of Division Caretakers, and Division Custodians where the work is deemed significantly similar regardless of location.

When an Employee applies for a role that is determined to be a lateral move but a change in hours only, there is no trial period as this prevents the backfilling of a role for three (3) months. An example would be a caretaker moving from location A to location B and from three (3) hours to four (4) hours. A trial period would not apply in this case as they have already proven their ability to complete the duties of the role and met the performance expectations. This will enable the Employer to post the vacant position created.

Being considered for a role

The Employer shall assess what is in the Division's best interest for vacant positions, if the positions are deemed to be lateral moves as defined below:

The definition of a **lateral move** is:

- 1) No increase in hourly pay.
- 2) No increase in financial compensation such as Head Custodial Administrative Allowance.
- 3) No change in job title – e.g. caretaker to another caretaker role, custodian to another custodian role, Head Custodian to Head Custodian role.
- 4) No change in classification. E.g. If an Employee is moving within the same classification, between schools this is deemed to be lateral – regardless of whether they are moving from or to an Elementary, Middle or High School as the role is deemed the same.

The trial period will not apply to lateral moves.

The definition of a **non-lateral move** is:

- 1) Where an Employee is moving from days to nights or vice versa.
- 2) Increase in hourly pay
- 3) Increase in financial compensation such as Head Custodial Administrative Allowance
- 4) Promotion (i.e. Caretaker to Custodian/Custodian to Head Custodian)

The trial period will apply to non-lateral moves.

The Employer will also assess the following:

The length of time an Employee has been in the role – frequent short term moves around the Division can be detrimental to the efficient operation of the Custodial group.

Whether the Employee has any recent performance concerns as identified through progressive discipline or as noted on a recent Evaluation – either annual or remedial - in which case the Employee may not transfer out of their current role while they are working on meeting the necessary expectations of the role.

Division positions

Henceforth job postings will be listed as “Division Caretaker/Custodian/Lead Hand Custodian” and the job location will be noted on the job posting.

Wage Enhancement

In addition to their hourly pay rate the employees working as either a **Primary ECE** or a **Program Assistant I or II** will be eligible to receive a wage enhancement from the provincial government based on the hours submitted and their level of certification (Level 1, 2 or 3). These wage enhancements are currently as follows:

- Level 1 - \$ 2.64 per hour
- Level 2 - \$ 5.05 per hour
- Level 3 - \$ 8.62 per hour

Employees will submit their hours worked in the licensed positions each month and the Division will review, approve and submit this information to the government. This wage enhancement is paid to the Division and then will be paid to the employees on the 10th of the month following the month earned to allow time for reporting and receipt of the wage enhancement.

THE PARTIES AGREE:

Should the government change the licensing requirements for staff of a licensed “Play and Learn” program, the Division will need to implement those changes in order to continue to operate the program. If during the term of this agreement, the government makes changes to the wage enhancement either by increasing or decreasing the amount of the wage enhancement or changing the requirements, this change will be passed on to the employees working hours in these 2 classifications.

At this time, all other provisions and entitlements of the Collective Agreement remain in place.
